The new T6 Dynamic Command™ makes it easy to breeze through a full day of intense work with a host of new functions:

- Auto Shift
- Kick Down
- Smart Range Shift
- Dynamic Start Stop
- Ground Speed Management
- Adjustable Shuttle Aggression
- Dynamic IntelliShift™ System
- Transport Power Management

What makes this T6 Dynamic Command range special is that the dual clutch 24×24 transmissions allow for a smoother, quieter and more seamless operation, that boosts the work rate whatever the work; livestock, dairy farms, contractors or hay and forage operations.
